#### Instruction for Oral Paper Presentation

To ensure efficient time management & smooth running of the conference, please note the following:

- Use of personal laptops or memory devices for presentation at the podium will not be permitted

- The format of the presentation should be MS PowerPoint.

- The format has to be Microsoft PowerPoint in a 16:9 ratios.

On the day of your presentation, please note the following

- Your presentation should be loaded in the preview room well in advance.

- Check that your presentation is working well (especially that the videos run properly) in the Preview Room.

- Please be present in the respective hall 20 minutes before your presentation and please be seated in the front rows.

- Limit your talk to 4 minutes and another 2 minutes for the discussion. (Your presentation will be auto stopped after the allotted time and no extension will be possible).

- You won't be considered eligible for competition if you over shoot 7 minutes' presentation time.

- You are requested not to leave the hall until the session is over.

- If any presenter has not loaded his/her presentation in advance, he will forfeit his/her opportunity to present his/her paper.

- The first slide of your presentation should contain the title of the paper/case, name of the presenter/

authors, place of the study

#### REGISTRATION

- Registration for the conference is compulsory for all presenters and accompanying persons.

- If you have already registered, please bring the payment receipt to be shown at the registration counter.

- If you have not registered till now, you will need to register on the spot. You will be able to pay by Cash or G-pay

- Kindly note that nobody will be allowed to enter the scientific hall without registration.
